

Volunteer Opportunities-Waco Symphony Council

HOSPITALITY

 **Preview Parties - (different dates and locations prior to each regular season concert).** Several days before each WSO concert, the Council has an informal social. Maestro Stephen Heyde joins us to give fascinating details about the composers and the pieces that will be performed at the concert. The Preview Parties, which serve as our General Council Meetings, are held throughout the community at businesses or in private homes. *Help is needed to organize, serve, bring food, and tidy-up after each event.* **Beth Raymond, VP Social**

 **Patron Party – January 2018** The Patron Party dinner is held before the January WSO concert to show appreciation to our members who purchase season tickets to the WSO concerts at a Patron level or higher. *Assistance is needed in planning and organizing this event.* **Beth Raymond, VP Social; Patron Party Chair-TBD**

YOUTH AND EDUCATION PROGRAMS

 **Belles and Brass - (Various dates for meetings – Presentation, March 24, 2018).** Juniors from our area high schools are presented at the March WSO concert each spring. Girls (Belles) enroll as sophomores and continue through their junior year Presentation. Boys (Brass) enroll and serve their junior year. The program includes a multi-course etiquette dinner, leadership skills training. These young people are sponsored by their parents or grandparents who are WSO season ticket holders at the Sustainer Level or higher. **Charlotte Henderson and Michelle Sanders, VP Belles and Brass**

 **ZooTunes! – November 12, 2017** Our award-winning event, ZooTunes!, features local ensembles or orchestras, such as the Baylor Symphony Orchestra and the Waco Symphony Youth Orchestra, in a family musical event on a Sunday afternoon at the Cameron Park Zoo. Our Belles and Brass assist at ZooTunes! as their community service project. Activities include an Instrument Petting Zoo with instruments available to handle and play, inflatables, and face-painting for only the regular price of admission to the zoo. *Help is needed to organize and supervise this event.* **Fran Good, VP Youth and Education; Zoo Tunes Chair-TBD**

 **Children's Concert – November 2, 2017.** Each year the Baylor Symphony Orchestra holds several concerts in one day at Waco Hall to provide orchestral music in an age-appropriate event for all area 4th & 5th graders. WSC volunteers organize and coordinate with the area schools whose students might not otherwise have an opportunity to hear a live symphony orchestra in a concert hall. *Assistance is needed at the concert.* **Fran Good, VP Youth and Education; Janice Warren, Children's Concert Chair**

FUNDRAISING

 **"Symphony of the City" – February 2018.** The WSC will be embarking on a new fundraiser that will feature fine art and architecture in and around Waco. *Assistance is needed to organize and execute the event.* **Tanya Clark, VP Fundraising; Melissa Boss, Chair**

Thank you for your time and service in support of our Council and Orchestra. We look forward to working with you this coming year. Please contact Christi or Paula if you have any questions.
